EXHIBITOR INFORMATION

This year's conference will be held **Sunday-Monday, October 7-8, 2018** at the Manchester-Coffee County Conference Center, 147 Hospitality Blvd., Manchester, Tennessee. The Conference Sponsorship Coordinator will meet exhibitors with their badges and table assignments at the Conference Registration Table. Table break-down needs to begin either during the closing session or immediately after the conference has ended and most of the crowd has dispersed so as not to disrupt the workshops being held in adjacent rooms or affect the flow of traffic.

Exhibitors will be most visited during registration before the opening session, between morning and afternoon sessions, and at the lunch break. Exhibitors may attend workshops. Lunch will be provided to registered exhibitors only. Exhibitors are asked that any food items given to attendees not include sugared candy or high-calorie snacks, due to the emphasis on wellness in recovery.

The Conference Committee reserves the right to approve advertising or program copy, signs, banners, and marketing materials related to the TCPRS Conference 2017 to ensure that peer support values and recovery concepts are promoted.
